

My Heart Sings

Capo 4

D Asus
The way I'm received back in your arms
Em7sus Asus A
When I've run away again in shame
D Asus
It takes me by surprise every time
Em7sus Asus A
You call me home and sing my name

Chorus:

D G D
I sing Alleluia
D G D
My heart sings Alleluia

I stand here ready to make my defense
To explain, to bargain, to justify
But you put your robe around me
And lift me up on Your shoulders high

Chorus:

I sing Alleluia
My heart sings Alleluia

Bridge:

Em7
There's no place you will not go
G
No secret you do not know
D Asus A
All that I think can tear me away from you
Is swallowed up in your love
You lift me high up above
You are my God
And my heart sings...
