## The Great I AM by Sean Norris

С F С G I have walked a thousand miles to find С F G A new home where I could be free С F С G I found no calm for my tortured mind G С Am I thought it was all up to me

I was told of new life beyond the grave A land with no more tears Met a man that lived and died to save Rose again to calm my fears

Chorus:

F C And I sang Hallelujah! Am C G Praise to the Lamb F C Yes I sang Hallelujah! Am G C Hail to the Great I AM

And I see my sin ever clearer now Torn heart and life of pain But His love remakes me new somehow And his blood washes all my stains (Chorus)

When I hear the Lord of heaven call My soul will leap in me When that day of all my days must fall I'll sing home, home carry me Lord, home, home carry me

Chorus:

	(background shouts)
And we'll sing Hallelujah!	Hallelujah!
Praise to the Lamb	Hey!
Yes we'll sing Hallelujah!	Hallelujah!
Hail to the great I AM	Hail!
(Last chorus repeat 4x, second to last time hang on the F with repeated shouts of	
Hail!)
